Dear Friends:

I am asking for your assistance in getting the word out to the Small Business Community who are interested in learning about and securing an SBA or Commercial Business Loan for their business. These loans can be used for Working Capital, Capital Equipment, Restructuring Debt, Refinancing, Business Expansion and to buy Commercial Real Estate.

We are holding the workshop **Thursday, March 5th at 6:00 PM** with one of our Non-profit Partners Valley Economic Development Center (VEDC) who are under contract with the City of Los Angeles to work with our business communities. Please help us assist our small businesses to become profitable and successful. We will be hosting this workshop at our Highland Park offices at **5532 N. Figueroa Street, Ste. #200, Los Angeles, CA 90042.**

Best Wishes,

Andrew Barrera
NELA Housing & Commercial Development Corporation
